Macron Soccer Equipment – Notice to all HCU Players

Starting with the summer 2020 season, HCU has signed a new two-year equipment deal with Macron, the official supplier of HFX Wanderers FC. This new arrangement will see a different way of managing uniforms as compared to previous years.

- ⇒ Starting this summer, all our NSSL teams' players will purchase their uniform kit at the time of registration.
- ⇒ Players will be assigned a number by the club and the player will keep that shirt and number.
- ⇒ Replacement of a uniform kit is only as required.
- ⇒ We have pre-ordered the Macron uniform kits, and they will be distributed by managers to the players in May once teams are formed.
- ⇒ On the Summer Program page of our website, the apparel each player will receive is shown.
- ⇒ Players and teams will also have the opportunity to purchase additional Macron clothing using the online store that will be available in April.
